

BOXING BOUTS
FOR FT. BLISS

Soldiers Will Stage a Big Benefit For Army and Navy Fund.

A boxing exhibition for the benefit of the Army and Navy Relief fund will be staged at the camp of the 25th Infantry at Fort Bliss on Saturday afternoon starting at 2 o'clock. The bouts will be staged under the direction of the athletic officer of the 25th and he has drawn his boxers from the regulars as well as the militiamen now on the border.

Cliffhanger, the crack featherweight of the 21st Michigan, will back into some of the 15th Massachusetts, and as both men have reputations for their fighting work, this bout should be worth while. And then "Battling" Torrence, the pet of the 25th, will tackle any man who comes along and will make 150 pounds. It is said that there are some "mild" middleweights with the militia and this will be a chance for one of them.

The rest of the card will be: Copeland, company 1, 25th Infantry, vs. Fox, company 1, 25th Infantry; Smith, company 1, 25th Infantry, vs. Equila, company 1, 25th Infantry; Sengst, company 1, 25th Infantry, vs. Besick, company 1, 25th Infantry; Terry Murphy, company 1, 25th Infantry, vs. Besick, company 1, 25th Infantry; Besick, company 1, 25th Infantry, vs. Besick, company 1, 25th Infantry. There will also be a battle royal.

IN BOYLAND

BY TOM CLEMENTS.

EAST EL PASO JUNIORS seem to be anticipating hard work in the coming game with the Myrtle Avenue Stars, as they are signing up new men. One more was signed Thursday, D. T. Brown. It is not known what position he will play, but it is expected that he will be in the field.

The East El Paso Juniors are still rather weak there.

Through a mistake, the name of John Mary was published as signed with the Myrtle Avenue Stars. Instead, it should have been that he was signed up by the Orchard Park, and will play with them in Sunday's game.

The Houston Squares also are preparing for their two coming games.

GRAND CHIMES
WINS "STEAK"

Event, Entered By Slow and Unknown Horses, Develops Into Fine Contest.

Cleveland, O., July 21.—Grand Chimes, from away down in Louisiana, tramped on the northern bred trotters Thursday at North Randall and walked off with the "Tavern" stake, the first event raced under the Devereaux limitation plan on the 1916 Grand Circuit.

In winning, Grand Chimes proved himself to be one of the best trotters that has been uncovered this season. It was a bitterly fought race. Grand Chimes was nosed out in the final heat by Busy Lasse, but to Grand Chimes went the honors.

The "Tavern" stake was merely an experiment. The field was limited to horses that have never beaten 2:14 1/4 or was more than \$2000 gross. The race developed into one of the grandest in the history of the event. In the second and third heat the time was better than 2:07.

The field in the Paing open three year old trot narrowed down to three when the horses were called, and, as two of them were members of Tommy Murphy's stable, there was practically no selling and it was the Murphy stable that got most of the money, with Adele Block getting third.

Manie Tree easily had the speed of the trio, taking the first and third heats.

"Pop" Geers was watching from an automobile stand at the upper draggate, Dick McMahon took over the mount behind the place in the 2:18 race, and proceeded to delight the crowd with the erratic son of Empire.

Direct on a pace long enough to win two heats and first money. Azora Axworthy, the mare that won 15 out of 18 races on the twice arounds, made her mid-trail but in the 2:18 trot going to the post a strong favorite, with Tommy Murphy having the mount, she simply trotted her field into the ground.

They have added to their lineup the names of Jerry Pierce and Raymond McKeen, who will probably go to strengthen their outfit.

The Cactus Motor company team has been practicing regularly of late. They intend to add two victories to their list this Saturday, and then, when they go up against the St. Ignace on the Saturday following, they will have more heart for the same, and will add to their practice, should insure their winning.

One fan who has been following the games in the Boyland leagues, for sometime, has picked the winners of both leagues. According to his predictions, the St. Ignace will take first place in class "B" of the Saturday league, while the Myrtle Avenue Stars will come out ahead in class "A" Sunday league. It remains to be seen what kind of a prophet he is.

Dan Patch, Greatest Harness Horse, Gone

Old Honus Wagner Seems To Defy Time

BY FRANK G. MENKE.

COLUMBIA will not row in the Poughkeepsie Regatta next June," declare reports. Some folks who saw the Hudson river doings last June were of the opinion that Columbia didn't do any noticeable rowing then.

When the grim reaper attired the stout heart of Dan Patch, he took from this sphere the greatest harness horse ever foaled; removed from life a steed whose wonderful performance never will be forgotten. Dan Patch was the super-horse of this country. He hung up records during the heyday of his career that thousands of horses have tried to shatter since then—but in vain. His equal may never be seen again, unless it is one or another of his children or grandchildren to whom he has imparted some of the amazing speed, the wonderful gameness and the sublime courage that swept him on and ever on to greater achievements in the racing world. Dan Patch is gone—but he never will be forgotten.

Father time shook his frowny head, mopped his brow with his kerchief, and then said warily:

"That fellow Honus Wagner certainly has my number. For nearly ten years I have been pursuing him—but he continues to elude me. Back in 1914 I noticed that he seemed to be slowing up in his pace. In 1915 he slumped a bit more. I tried my best to overtake him then and confine him in the Old Men's home, but I wasn't quite successful.

"When the chase began this spring I said to myself: 'It's a cinch this season, the old boy is through. The speed has gone from his legs, his eyes are dimmed, his arm has lost its power, his frame is bent and warped by age, and he's now 42 years old. He's mine.'

"But he isn't. I started out after him and I thought it would be easy. Instead he is giving me a harder race than at any time during the last ten. His palsied form has been restored to new life; there is new power in his arms and his legs, and the film has disappeared from his eyes. I've tried my best to catch him—but I can't. And so I'm off him. I've wasted many years trying to enmesh him but I have failed."

Whereupon the old fellow took another peep at the sporting pages which showed that the aged Honus was battling somewhere around .325 and bunched with the topnotchers among the fielding shortstops, and then he went sadly on his way.

To overcome the tendency to move the head or away the body while striking a golf ball, a pair of golf spectacles has been patented. The circular lenses are opaque, each has a small hole near its center. The lenses fit movably in their frames. Each lens may be turned in its frame so as to

Handed a tag by Motorcycle officer M. F. Schaefer on Montana street Wednesday night on a charge of speeding. Wednesday had the satisfaction of trying and finding himself Thursday afternoon in police court. The fact whether he was guilty or not was left entirely to the judgment of Judge Pollock, who told the offender that he would let him try himself and fix his own time, no matter what it was.

"Judge, I was not going over 25 miles an hour," said Edmondson. "Were you violating the speed limit, or do you think you ought to be dismissed?" inquired Judge Pollock.

"Judge, I don't think I ought to be dismissed, as I was speeding a little," said Edmondson.

"Well, set your own fine," declared the judge.

"I think three or four dollars will be all right," Judge, said Edmondson.

"That is all right with me," said Judge Pollock.

The fine was paid.

TEN LITTLE MEXICANS ARE JAILED ON NUISANCE CHARGE

Two little Mexican boys rounded up in a vacant storehouse at Overland and Santa Fe streets Thursday afternoon were held in the city jail for a short length of time and released to the custody of the county prothonotary.

The boys, according to residents of the neighborhood, had become a nuisance by loitering around the vicinity, and they determined to take some action in getting rid of them. The boys promised their release never to go back to the place.
